## Customer comments

### Appendix 1 - Specified other reasons for contacting supplier from question 1:

- To confirm delivery date.
- I have had a colostomy 50 years.
- My wife has a condition and I do all her medical supplies (husband).
- I take my prescription to my surgery where it is either sent or faxed to the supplier.
- Only if I was out, I have to phone to confirm the order.
- To see if my surgery was still using Fittleworth for my prescriptions ring surgery.

### Appendix 2 - Customer comments from question 16 about any of the questions and how the service from this supplier could be improved:

- Have always had an excellent service from them. Could not be better.
- Q8: My repeat prescriptions are sent to Fittleworth by my GP. Q13. Never had any need to contact them out of hours.
- Fittleworth have given excellent service over many years.
- Q3. Telephone lines often extremely busy, but once answered ordering is extremely easy. Internet access is difficult and slow, especially if trying to find a new product.
- In an emergency, Fittleworth should send out the required item without a prescription and get the prescription after delivery, for longstanding customers.
- On the occasion that my supplies had a hold-up, the supplier informed me and kept me informed by telephone.
- I am quite satisfied with the service provided. However the order takes at least 10 days to arrive. I am told that this is due to my GPs response sending the prescription.
- Fittleworth are on the ball supplying an efficient service, always keeping me informed should any problems occur. The telesales operators are pleasant, knowledgeable and helpful. The delivery drivers are always courteous.
- I myself have carers but only myself deal with my colostomy.
- Excellent service always keeps me informed if a product is not in stock, and when it will be in or an alternative product.
- I have every faith in this company. They have never let me down and are always very polite and obliging, I wish the same could be said regarding the system of ordering from my surgery.
- With regards to Q11, the delivery period is a problem. I believe the normal period is 10 days from receipt of prescription. Currently, I receive my products within 2 days from an alternative supplier.
- No complaints.
- Very good service.
- I no longer use the belt subscribed as it was not suitable for my requirements. I use Fittleworth services for provision of medical supplies for my stoma.
- In relation to Q6, if an item is temporarily out of stock - very occasionally over five years of experience - I get a phone call to ask if it is ok to have a later delivery date for that item. If not, an alternative was offered.
- For the last 30 years I have used Fittleworth and have never experienced any issues from contact to delivery. Overall very happy.
- The service is very very good. First class.
- I have always phone for my supplies but now it has to come from the doctors which takes longer and it not so good it much easier to ring Fittleworth first. Fittleworth is very and easy way. Many thanks to them.
- No complaints at all about ordering, supply and delivery!
- I order my prescription via internet to my GP who sends it via EPS to Fittleworth - An excellent service! Delivery is generally quick. Never been asked for a convenient time. Agreed packages can be left in a certain place in front garden.
- They are very good. They phone me most times. I only have to wait if my health centre do not get the prescription on time. Then I panic and have to ring to ask where my things are.

### Customer comments

- Everybody is always helpful, and will go out of their way to help with a problem. I have found them to be very kind and helpful, even to phoning up my doctors surgery to help me with a problem, which they sorted out for me, satisfactorily. No complaints about the service they give. Well done all.
- I have always been treated with respect and dignity when I have spoken to a member of staff. They always adapt to my needs and when an item is out of stock, they have been very quick in getting it for me. I would rate Fittleworth Medical as outstanding. Thank you for making my life easier to manage.
- Fittleworth offers a good service and polite in answering questions.
- Excellent service for my very elderly mother, always quick and very helpful. Thank you.
- I ring surgery, ask for repeat script, they contact Fittleworth.
- I registered so I could do my prescription requests online instead of having to call. The registration process was fine, but then I wasn't able to find one of the items I need, neither by code or description, so I called Fittleworth to do my prescription over the phone as usual. I also took the opportunity to mention my problem online, i.e. I couldn't find one of the items. Not only wasn't I helped, but I wasn't offered any other kind of help, i.e. given some other number or contact who could help. She just said it has nothing to do with her.
- No complaints at all with service - there has been the odd error in supplies - but I could not attribute this to Fittleworth.
- They should send out enough complimentary white dry wipes and disposal bags. Should not send prescription back to GP without consulting patient.

## Details of score calculation

The score provided for each question in this questionnaire is the mean (average) value of all of the ratings from all customers who completed the question. It is expressed as a percentage - so the best possible score is 100%. Non-rated responses (blank/spoilt or 'Don't Know') are not used in the score calculations. (A blank response is where a customer did not respond to the question and a spoilt response is where more than one tick box option was chosen or the questionnaire was defaced).

Example from your Q4a Polite and took time to understand needs?

Total number of customer responses = 80

Questionnaire rating scale	Very good	Fairly good	Fairly poor	Very poor	Non rated responses
Number of ratings	78	0	0	0	2
Value assigned to each rating	100	66.6666	33.3333	0.00	n/a

$$\frac{(\text{number of Very good ratings} \times 100.00) + (\text{number of Fairly good ratings} \times 66.67) + (\text{number of Fairly poor ratings} \times 33.33) + (\text{number of Very poor ratings} \times 0.00) + (\text{number of Don't know ratings} \times )}{(\text{total number of customer responses} - \text{number of Non rated responses})} = \frac{(78 \times 100.00) + (0 \times 66.67) + (0 \times 33.33) + (0 \times 0.00) + (0 \times 0)}{(80 - 2)}$$

Your mean percentage score for Q4a = 100%

The same basic calculation method is used for all the questions where a mean percentage score has been provided, but the values assigned to the ratings will differ depending on the number of rated responses available.

For ease of understanding, below are the details of the values assigned to the ratings in each question where we have provided a mean percentage score:

Q3 - Not at all easy = 0, Fairly easy = 50, Very easy = 100

Q4 - Very good = 100, Fairly good = 66.6666, Fairly poor = 33.3333, Very poor = 0

Q9 - Not at all satisfied = 0, Not very satisfied = 33.3333, Fairly satisfied = 66.6666, Very satisfied = 100

Q15 - Poor = 0, Fair = 25, Good = 50, Very good = 75, Excellent = 100

## Explanation of quartiles

In statistics a quartile is any one of the three values that divide data into four equal parts, each part represents ¼ of the sampled population.

Quartiles comprise:

Lower quartile, below which lies the lowest 25% of the data

The median, cuts the data set in half

Upper quartile, above which lies the top 25% of the data

Question	Your mean score (%)	Benchmark data (%)*				
		Min	Lower Quartile	Median	Upper Quartile	Maximum
Q4a Polite and took time to understand needs?	100	94	97	98	99	100

\*Benchmarks are based on data from 36 dispensing locations surveyed between March and May 2017 with 40 or more responses and a total of 2,236 returned customer questionnaires.
