Introduction

This survey was designed to give you an insight into how your service is viewed by your customers. The report outlines the information that has been collected and analysed from your customers in the form of tables and graphs. Comparative benchmark data is provided where applicable. From the report you will be able to clearly pinpoint areas where you performed well and also those areas where you feel that improvements may be needed.

Details of your survey

141 patient questionnaires were sent out and 72 completed questionnaires were returned giving a response rate of 51%.

A breakdown of all the questionnaires that were sent out and returned is provided in the following table:

Designation of questionnaires sent out	Number of questionnaires
<b>Returned questionnaires</b>	
Successfully completed by patient	72
Questionnaire blank	3
<b>Unreturned questionnaires</b>	
Unreturned questionnaires	66
Total number of questionnaires	141

Percentages are of the total number surveyed.

## Customer comments

### Appendix 1 - Specified other reasons for contacting supplier from question 1:

- Suspected issue with supplied items.
- My surgery forwarded prescription for me.
- Reordering stoma bags.
- When I was diagnosed a nurse was sent to me to explain and demonstrate the procedure. This was marvellous and put me at ease.
- To place an order, after which Fittleworth obtain prescription from my GP surgery.
- I take my prescription to my doctor's surgery who fax it to Fittleworth but, that said, they hadn't received it. The surgery sent a new one and my goods arrived. I was very happy.
- My stoma nurse contacted the doctor and recommended you.
- Fittleworth have supplied our medical supplies for a few years now.

### Appendix 2 - Customer comments from question 16 about any of the questions and how the service from this supplier could be improved:

- Until recently, my wife was receiving appliances from another supplier. Based on the service that I have been receiving from Fittleworth I have arranged for Fittleworth to supply both our needs.
- Sizes vary due to client's blood pressure and would be if office staff were informed.
- Without exception, every time I have phoned Fittleworth the customer service people have been lovely. Answering all questions and making suggestions. Absolutely first class service.
- Q12-13 I have answered "No" because it N/A.
- I no longer contact Fittleworth by phone. I now place my prescription through the Wiltshire CCG Prescription Ordering Direct (POD) service.
- Satisfied.
- My husband is supplied catheters by Fittleworth the service is very good.
- I phone POL Swindon who put it through internet best service I've had in many years supply.
- Re Q1 - My contact initially to Fittleworth was purely a random one. Re Q2, Q3, Q4 - My doctors insist that they control "their" prescription service. Therefore they insist that I notify them of my requirement, they always contact my supplier with my order. Complaint - As I am somewhat remote in my (three monthly) medical supply chain, I never have a clue when the delivery will arrive. Emails have been sent to Fittleworth to advise despatch and estimated parcel arrival date/time. So far this service has never been implemented.
- They regularly ring to ask about my needs for my next prescription. They respond quickly to emails. They rang to inform me when my order was delayed due to problems at my GPs. I've had one partially incorrect order (in a few years) replacements were delivered very quickly.
- Politeness and quality of service very good. Thank you.
- Some of my answered questions were not 100% applicable. Basically, my contact with the above supplier started when the hospital gave me a pack of catheters. The subsequent reordering of further supplies has been done electronically by my doctors surgery from the same supplier.
- Have used Fittleworth for eight years never had a problem, found item easy to contact (very quick to answer phone). Also the staff are very polite and helpful, and provide a very efficient service, and speedy delivery time.
- Fittleworth have been great, making it more comfortable for me to come to terms with my health problem. I cannot thank them enough.
- I am very satisfied with the service.
- Fittleworth customer service has been excellent.
- Always happy.
- I have always been pleased with Fittleworth who I have used for many years. One: that time I have only had the one incident which was resolved.
- I've dealt with Fittleworth several years now with a phone call. I now use management order system by phone and they contact you. I'm pleased to say I'm very happy with all you all do for me. Thank you.
- I have dealt with Fittleworth for many years and have always found them polite, helpful and understanding.

### Customer comments

- Any issues usually occur with the GP issuing my prescriptions. However I have to contact supplier to find this out when products are missing or have not arrived.
- Prescription is called for by Fittleworth direct from the doctor's surgery. Excellent service. The service we receive is wonderful. Thank you so much.
- Overall I'm very happy with the service but on occasion some items are missing from order with no explanation or sent out at a further date.
- I phone my order to Fittleworth, who then give me a delivery date. They then organise the prescription themselves, an excellent service follows. The order arrives to me at promised time, I could not fault the service I have been receiving.

## Details of score calculation

The score provided for each question in this questionnaire is the mean (average) value of all of the ratings from all customers who completed the question. It is expressed as a percentage - so the best possible score is 100%. Non-rated responses (blank/spoilt or 'Don't Know') are not used in the score calculations. (A blank response is where a customer did not respond to the question and a spoilt response is where more than one tick box option was chosen or the questionnaire was defaced).

Example from your Q4a Polite and took time to understand needs?

Total number of customer responses = 72

Questionnaire rating scale	Very good	Fairly good	Fairly poor	Very poor	Non rated responses
Number of ratings	64	5	0	0	3
Value assigned to each rating	100	66.6666	33.3333	0.00	n/a

$$\frac{(\text{number of Very good ratings} \times 100.00) + (\text{number of Fairly good ratings} \times 66.67) + (\text{number of Fairly poor ratings} \times 33.33) + (\text{number of Very poor ratings} \times 0.00) + (\text{number of Don't know ratings} \times 0)}{(\text{total number of customer responses} - \text{number of Non rated responses})} = \frac{(64 \times 100.00) + (5 \times 66.67) + (0 \times 33.33) + (0 \times 0.00) + (1 \times 0)}{(72 - 3)}$$

Your mean percentage score for Q4a = 98%

The same basic calculation method is used for all the questions where a mean percentage score has been provided, but the values assigned to the ratings will differ depending on the number of rated responses available.

For ease of understanding, below are the details of the values assigned to the ratings in each question where we have provided a mean percentage score:

Q3 - Not at all easy = 0, Fairly easy = 50, Very easy = 100

Q4 - Very good = 100, Fairly good = 66.6666, Fairly poor = 33.3333, Very poor = 0

Q9 - Not at all satisfied = 0, Not very satisfied = 33.3333, Fairly satisfied = 66.6666, Very satisfied = 100

Q15 - Poor = 0, Fair = 25, Good = 50, Very good = 75, Excellent = 100

## Explanation of quartiles

In statistics a quartile is any one of the three values that divide data into four equal parts, each part represents ¼ of the sampled population.

Quartiles comprise:

Lower quartile, below which lies the lowest 25% of the data

The median, cuts the data set in half

Upper quartile, above which lies the top 25% of the data

Question	Your mean score (%)	Benchmark data (%)*				
		Min	Lower Quartile	Median	Upper Quartile	Maximum
Q4a Polite and took time to understand needs?	98	96	98	98	99	100

16354

\*Benchmarks are based on data from 38 dispensing locations surveyed between October and December 2019 with 40 or more responses and a total of 2,879 returned customer questionnaires.
